ANNADASU UDAY KIRAN

BTECH-CSE |+91 9652341926 |udaykiranannadasu@gmail.com| Parchoor, Bapatla Dist – AP | 523169|

Objective

As an Engineering graduate in CS, I am looking forward to work in a recognized organization with my skills that benefit both my career and the organization.

Skills

- Programming languages – **Python, Java , Springboot**
- Web development-**Html, CSS, JS**
- Databases-MY**SQL**
- Devops basics**- CI/CD pipeline, Jenkins, docker , K8s**

Projects

1. MEDICAL CHAT BOT FOR SYMPTOM ASSESSMENT -- AIML

This is an AI-powered system that analyzes user-reported symptoms and provides potential health insights. It uses **NLP and ML algorithms** to match symptoms with possible conditions from a medical dataset. The chatbot offers a **user-friendly interface** for quick and accurate preliminary health assessments.

2. OWASP – cyber security

- Spearheaded the implementation of Open Web Application Security Project (OWASP) best practices in a high- impact web development project.
- This project ensures robust security measures integrated throughout the software development life cycle.

3. Telegram Chat bot – AI Integration

- A **Telegram Chatbot** is an AI-powered bot that interacts with users on Telegram, automating responses and tasks. It integrates with APIs and NLP models to provide seamless and intelligent conversations.

4. Student Management System– Java Spring Boot

- **A Student Management System built using Java Spring Boot, designed to handle student records, course registrations, and academic performance efficiently. It provides features for student enrollment, updating details, and managing attendance in an organized manner**.

Education

- St. Anns college of engineering and technology (JNTUK) - - Chirala
  Computer science and engineering | 2020 – 2024 | 7.6 CGPA

- NRI Junior College - - Guntur
  Intermediate| MPC | 2018 – 2020 | 9.1 CGPA

- Sarada High School - - Parchoor
  SSC | 2017 – 2018 | 9.8 CGPA

Certifications and Internships

- Internship on **cybersecurity** in Indian servers.
- Internship on **web development** in APIT solutions.
- Certified in the concepts of **HTML** and **CSS in NBA.**
- Certified In introduction to programming using "**JAVA**"

Hobbies

- Reading books
- Playing cricket
- music

Soft skills

- ✓ quick learner
- ✓ Adaptability
- ✓ Good speaker

Personal details

- *Nationality –* India
- *Languages known -* English, Telugu(native)
- *Date of birth* – 09_06_2002
- *Gender* – Male
- *Relocate to work place* - yes
- *Willing to join immediately*-yes

I certify that the above information is true and accurate to the best of my knowledge.
